ABOUT US

It's a tough world out there for youth

Big Sisters of BC Lower Mainland provides supportive mentoring relationships to young children who may be facing challenges like bullying, isolation, poverty, abuse, social anxiety, low self-esteem and more.

Research shows that mentoring has a powerful impact on youth

Research shows that **93%** of Little Sisters feel better about themselves since having a Big Sister. On top of that children who have a mentor are **3x** less likely to have social anxiety and **2x** less likely to be depressed. The impact of mentorship is endless!

Since 1960....

We have been championing the potential of youth across BC Lower Mainland (BCLM) through meaningful mentorships since 1960! In that time, we have seen the world grow more and more challenging for children to grow up in.

We couldn't do it without you!

Research proves that it takes **just one caring adult** to make all the difference. It is because of our kind-hearted donors, sponsors, volunteer mentors and community supporters that we are able to continue the work we do to ensure that every child who needs a mentor, has a mentor.

Fundraise for Big Sisters!

A unique and wonderful way to give to Big Sisters is by holding an event and donating the proceeds to Big Sisters. Fundraising Events are a great way to raise much-needed funds for our mentoring programs, spread awareness of the work we do, impact a new audience and encourage community involvement! Big Sisters is very fortunate to benefit from the generous support of many individuals and organizations who initiate fundraising events and activities to raise money in support of our mentoring programs and services.

We deeply appreciate the commitment and investment of time and financial resources required in the successful execution of such events. We ask that anyone interested in donating proceeds from their event or initiative to please read this Fundraising Toolkit prior to completing the agreement included at the end of this package.

Planning your Event

Event planning doesn't have to be hard! The key is giving yourself enough time to plan and having an action plan for when things go wrong. Events often take longer to plan than you might think so ensure you have enough time before your event date. Need some help? Big Sisters will support you as much as possible to ensure your event is a success. Here are some suggested event planning steps to get you started.

STEP 1

Download and review the Community Fundraising Toolkit. Complete the Fundraising Event Proposal Form on the last page and submit to Big Sisters at least one month before your event. Make sure you have enough time to receive a response before your event date! Not sure if your event is a good fit for Big Sisters? Contact us first so we can chat.

STEP 2

Receive approval from Big Sisters for your event. We will send you logos as requested and can give you additional tips on event planning and best practices for fundraising.

STEP 3

Recruit friends, family and/or colleagues to help you plan and execute your event. Get everyone on board to execute your plan and make the event a success!

STEP 4

Create a "To Do List" and timeline to help you plan your event. Don't forget to include any special event permits or raffle licenses you might need!

STEP 5

Create an event budget and promotion plan. Decide on your target and goals for the event. Try to keep costs low to ensure maximum impact of your fundraising efforts.

STEP 6

Use social media to promote your event. Consider creating a fundraising page through Facebook or other fundraising platforms*. These allow you to take payments online and track your guest's data while even administering tax receipts for you! They will also help you track your fundraising goals.

STEP 7

Host your event! Have fun and enjoy the rewards of all your planning. Be sure to take lots of pictures, we would love to see them!

STEP 8

Donate funds raised to Big Sisters! Let us know if you would like us to provide individual tax receipts if you are not using an online platform and if so be sure to track donors so we can provide an official tax receipt for donations over \$25 (conditions listed page. 8).

*Big Sisters BCLM currently doesn't have a customizable fundraising platform but there are many out there that can make it easy for you to collect donations. Some of these are Facebook, Chimp, FundRazr, Fundly and StartSomeGood.
